

ALLERGEN & NUTRITIONAL INFORMATION GUIDE FOR CUSTOMERS

Valid from 2nd June 2026

Papa Johns is committed to strict hygiene procedures and all of our staff are fully trained in our high standards. However please note our stores are busy environments and while we try to minimise cross contamination between toppings, we cannot guarantee this at all times.

INTRODUCTION

Alongside the Allergen Manager, this Allergen and Nutritional document is to help you choose menu items from Papa John's if you have a food allergy or intolerance.

Including our dough and our pizza bases, our menu items are produced with approved ingredients only. However, as our stores handle many ingredients containing various allergens, we cannot prevent cross contact or guarantee that our products are allergen free.

Note: "None" written alongside 'Contains' or 'May Contain' refers to the ingredients themselves, not the finished product from our restaurant. All of our restaurants handle (and many of the pizzas contain) **milk** (cheese) and **wheat** (dough).

Please note: Much of our food is handmade and freshly prepared to order in store. All pizzas and many sides pass through common cooking and preparation equipment. We therefore are unable to completely eliminate the risk of cross contact during the assembly of the pizzas, sides or desserts.

This document highlights the following allergens:

Allergens within our menu

Gluten containing grains (wheat, barley, oats, rye etc.)

Milk (in our mozzarella, premium cheese, stuffed crust etc.)

Mustard, Soya (Soybean), Celery, Egg, Sulphites / SO₂, Nuts*, Peanuts*

Other Allergens considered (not in our menu)

Crustaceans, Fish, Lupin, Molluscs, Sesame

- Nuts, peanuts (and other allergens) may be present in Ice Creams, and Mini Doughnuts. Please read the pack declarations carefully.

* Our Individual Cookies and Large Cookie are manufactured in a factory handling nuts.

CONTENTS

PIZZA

Cheese & Tomato	The Works™
All The Meats™	Chicken Fajita
American Hot	Chicken, Mushroom & Sweetcorn
BBQ Meat Feast	Chicken & Pepperoni
BBQ Chicken Classic	Hot Pepper Passion
Chicken Club	The Cypriot

INGREDIENT ALLERGENS

Allergens for pizza bases, toppings, sides and desserts may be found in the 'Create Your Own' section of this document
All of our food is freshly prepared in store.

We cannot guarantee that our products will be free from allergens / animal products – this is due to the risk of cross contact when assembling the products.

CUSTOMISATION

Many pizzas and sides may be customised, either by using the 'Create Your Own' function or through adding / removing toppings / bases / sauces etc.

Please choose carefully when customising any of our menu items. Customisation may change the calorific value, allergen content or the dietary type of the menu item being ordered.

MEAT PRODUCTS

Papa Johns Chicken Wings are cooked 'on the bone' and will contain bones when purchased.

Although great care is taken in the manufacture of our products, we cannot guarantee that all bones or bone fragments have been removed.

STONES AND PIPS

Although great care is taken in the preparation of our fruit and vegetable products, pips and stones may remain.

NUTRITIONAL INFORMATION

Adults need around 2000 kcal a day. Product customisation may affect calorie content. This includes Create Your Own, Product Amendments and Half and Half Recipes.

HALAL PRODUCTS

When we source our meat, our decisions are based on animal welfare standards, food safety and quality. We do not specify to any of our suppliers to supply us with halal certified meat and therefore do not position our stores or meat as halal approved.

However, whilst we do not select based on halal certification, it is possible that our suppliers' products can be classed as halal and this is true only of our Chicken Topping & Chicken Poppers which are sourced directly from suppliers in Thailand, whose meat is certified as halal by The Central Islamic Council of Thailand. Animal welfare throughout the agricultural chain is strictly controlled by the Thai Government Department of Livestock Development.

KEY TO SYMBOLS

Vegan options are available

This product is suitable for ovo-lacto vegetarians

A wheat free medium base option is available for this pizza

1 Chilli – Mild Heat, 2 Chillies – Hot

SOURDOUGH PIZZA BASE

Papa Johns Sourdough is made with a sourdough starter and slowly fermented to create a genuine sourdough pizza base.

Ingredients: **Wheat** Flour (**Wheat** Flour, Calcium carbonate, Niacin, Iron, Folic Acid, Thiamin), Water, Sourdough Starter Cultures (Sourdough Yeast, Sourdough Bacteria, **Rye** Flour, Yeast), Rapeseed Oil, Salt, Yeast. Allergens highlighted in **bold**.

WHEAT-FREE STONEBAKED BASE

We want as many people to enjoy our pizzas as possible. While our wheat-free stone-baked base does not contain gluten, the pizza will be assembled in an environment that contains gluten. Although every effort is made to prevent it, cross contact may occur between allergens whilst preparing your order

Therefore, this product is not suitable for people with Coeliac disease, gluten intolerances or allergies. If you have any concerns, please review the allergen information provided in this document

Ingredients: Water, Tapioca Starch, Rice Flour, Maize Starch, Rapeseed Oil, Psyllium Husk Powder, Sugar, Buckwheat Flour, Salt, Yeast, Rice Flour, Xanthan Gum, Hydroxypropyl Methyl Cellulose, Pea Protein, Sorbic Acid (E200), Malic Acid (E296), Tartaric acid, Citric acid (E330).

CAGE FREE EGGS

Continuing our Better Ingredients Better Pizza journey, Papa John's UK only uses 100% cage-free eggs in our products.

Note: Due to our store environment and how pizzas are hand made and assembled and pass through common cooking equipment, it is very likely that pizzas without cheese may still have traces of milk allergen present. Similarly, pizzas made with the Wheat Free base may still have traces of wheat. We make no claim that our products will be free from any or all allergens.

VEGAN MENU ITEMS

Our vegan Sheese® and other vegan menu items are produced using 100% plant based ingredients. We cannot, however, prevent contact or guarantee a finished product is free from animal based products, including meats, cheese (**milk**), **egg** or other allergens. Please find the ingredient listing for our new improved vegan Sheese® below:

Sheese™ Ingredients: Water, Coconut Oil (26%), Potato Starch, Modified Potato Starch, Bamboo Fibre, Pea Fibre, Salt, Thickeners (Carrageenan, Calcium Chloride), Fructose, Natural Flavourings, Acidity Regulators (Lactic Acid, Sodium Lactate), Modified Maize Starch, Gelling Agent (Agar), Colour (Carotenes).

Papa Johns vegan products are classed as 'vegan friendly' and are produced using ingredients suitable for a plant based diet.

Please be aware that although assembled following strict procedures these pizzas are prepared in an environment where animal products, including cheese (**milk**) and meats are handled.

FARMED ANIMAL WELFARE

Papa John's (GB) Ltd only uses independently certificated, farm assured meats and poultry products for our core toppings and sides.

Our Mozzarella is produced using milk from 100% assured dairy herds.

For more information on our animal welfare commitments please visit our animal welfare reports and statements at:
<https://www.papajohns.co.uk/animal-welfare>.
